### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination, fails to anticipate or render obvious, the method, including the limitations of forming a trench device in each of the low portions of the first and second trenches, forming a second conductive layer overlying the substrate and filling in the first trench and simultaneously and conformably forming the second conductive layer over the inner surface of the second trench, removing the second conductive layer and a portion of the first conductive layer in the second trench and simultaneously leaving a portion of the second conductive layer in the first trench by an etch back process, in combination with the other limitations of independent claims 1 and 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer M. Kennedy whose telephone number is (571) 272-1672. The examiner can normally be reached on Mon.-Fri. 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Niebling can be reached on (571) 272-1679. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
